Testimonial

Please write a testimonial regarding your experience with Bridges. Here are some questions to help you write your testimonial:

- ❖ Has Bridges helped develop in your child a greater joy for reading and writing?
- ❖ Does your child read and write with more confidence?
- ❖ Why should a prospective customer trust us?
- ❖ Do your children enjoy coming to their sessions?
- ❖ Are you happy with our teachers?
- ❖ Would you refer your family and friends to us?
- ❖ Has your child's teacher at school commented on any improvements?
- ❖ If you have had any experiences with our competitors (i.e. Huntington, Sylvan, Score, Kumon, etc.), how are we better?

My daughter's reading and writing has improved a lot. We are very happy with what she has accomplished so far, but we still feel this is a long process, and she needs to continue to focus on the writing. We are very happy with everything Bridge delivered until now. The teachers make the sessions fun and enjoyable. My daughter was listed this semester in school honor list. We are very happy and so is my daughter.
