Testimonial

Please write a testimonial regarding your experience with Bridges. Here are some questions to help you write your testimonial:

- ❖ Has Bridges helped develop in your child a greater joy for reading and writing?
- ❖ Does your child read and write with more confidence?
- ❖ Why should a prospective customer trust us?
- ❖ Do your children enjoy coming to their sessions?
- ❖ Are you happy with our teachers?
- ❖ Would you refer your family and friends to us?
- ❖ Has your child's teacher at school commented on any improvements?
- ❖ If you have had any experiences with our competitors (i.e. Huntington, Sylvan, Score, Kumon, etc.), how are we better?

My daughter was resistant to learning how to read AND write, our daily practice times had become torture sessions. Then I took her to "Bridges", her instructor, Ms Rebecca, has instilled a love of learning in Tiffany-Ann. The one on one attention coupled with the class time designed for the student has made Tiffany-Ann confident that she can learn. She (my daughter) has learned more in 2 months than she did in two years of preschool. We are very happy.
